

SUMMARY:

Development site options from preferences awarded by Parish residents after Public Meeting at Lamerton Village Hall on August 7, 2017

A total of 66 preferences slips were handed in either at the meeting (or, in the week after) to the Steering Group Chairman.

Of these, 20 included some blanks (i.e., sites not rated) despite requests from the floor to complete all ratings.

A further 6 slips were not considered, as they did not record their own postal code.

A postal code was requested to ensure that the presenter of each slip was a Lamerton resident.

Attendees names were not sought, names were therefore voluntary, although approximately 50% chose to enter them.

Options considered to assess preferred sites:

Option 1 Straight result, i.e., 1 for 1st place, 2 for 2nd place etc, but adjusted for blanks. E.g., with 66 responses, but only 60 scores achieved, result is Actual score / 60 x 66

Option 1a Actual number of 1st places awarded, shown as a % of the total awarded

Option 2 Include points where a blank exists. E.g., If no 4th or 5th is awarded, an average of the two is given, i.e., 4.5 for each blank.
(This is because we do not know which site would be preferred)

Option 3 Deduct all responses where Blanks were given, i.e., 'incomplete papers'. There were 20 out of 66 responses.

Results:-

		Old Dairy	Green Hill	Farriers	Bull Field	Chestnut
Option 1	Score	109	204	201	203	233
	Place	1	4	2	3	5
Option1a	Score	37	15	9	3	2
	Place	1	2	3	4	5
	%	56%	23%	13%	5%	3%
Option 2	Score	115	204	207.5	209	254.5
	Place	1	2	3	4	5
Option 3	Score	74	159	149	142	166
	Place	1	4	3	2	5

Conclusions:-

The Old Dairy is consistently the favourite in first place for all options.

There is very little to choose between Green Hill, The Farriers and Bull Field.

The Chestnut Close option (although included at the last minute) fared no better when blanks were excluded.

The Steering Group sincerely thanks you for taking the time to attend the meeting and to make our task a little easier and able to maintain transparency.

Please monitor the Neighbourhood Plan banner outside the Village Hall for future meetings
